

Paso Fino Horse Association
AERC Breed Award

About the award

The **PFHA AERC Breed Award** is an annual award presented by the PFHA. It recognizes the Recreational Rider with the most limited distance and/or distance miles, combined, in rides sanctioned by the American Endurance Ride Conference (AERC). The AERC "year" runs December 1 through November 30, therefore this award is based upon that time frame, not the calendar nor the PFHA year.

Who qualifies

Participants may compete on any number of Paso Fino horses as this is a rider, not a horse, award. **The rider must be a member in good standing with the PFHA and AERC and all horses must be registered with PFHA and AERC at the time the miles are accrued and at the time application is made for the award.**

How to participate

PFHA members interested in competing for the **PFHA AERC Breed Award** must complete this form and submit it to PFHA by mail, fax or e-mail **no later than October 1** of the AERC year in which they wish to be considered for the award.

At the end of the AERC year, PFHA submits a list of all participating members to AERC. AERC compiles the number of miles for each PFHA rider appearing on the list and sends the results back to PFHA. The rider with the highest mileage confirmed by AERC is recognized by PFHA and awarded the **PFHA AERC Breed Award**.

It's FREE

There is no charge to participate in this award program and no paperwork to maintain or submit other than this form.

Submit this form by **October 1st** either by mail, fax or email to:
