This program offered by the PFHA is a rider incentive program, based upon personal achievement. It is completely dependent on your honesty and accuracy in keeping a log of hours ridden on the trail. If you are only able to ride for half an hour, log it!! You will be amazed how the hours will add up!! Rules and qualifications below:

- Must be a PFHA member and maintain membership each year
- Horse(s) ridden must be registered with the PFHA - you do not have to be the owner of the horse ridden
- One time \$25.00 enrollment fee
- Hours logged have to be during a non-pointed event
- Cannot include hours to which the horse is being prepared for a show or competitive event
- Log hours riding or driving on an official log sheet (provided) and mail to the PFHA office when log sheet no longer has any more blanks for entries
- Log Sheets must be turned in by September 5 to be considered for the Top 10 Pasos for Pleasure, which is determined at the end of every show year.

Riders will now be eligible to qualify for achievement patches and rewards by documenting their riding hours to the 50, 100, 250, and 500+ hour levels. Simply fill out the application below, mail to the PFHA office at the above address along with the appropriate fees. A welcome letter, patch, and hour log sheet will be sent to you immediately.
