CLASS NO.	PASO TRAIL
CLASS NO.	PASU TRAIL

Procedures: Each horse shall be asked to negotiate through obstacles. Obstacles are to be negotiated individually, by exhibitor, with only one (1) horse in the arena at a time. This class shall be judged 100% on the obstacle course; there is no rail work. The course will specify how a horse is to negotiate or travel between obstacles that seem appropriate. This includes the distance from the beginning of an obstacle to the beginning of the next obstacle. Pertaining to the posted trail pattern, any horse not properly performing the gait required between the obstacles, or any horse that fails to follow the prescribed obstacle, or follow the prescribed course of travel through the obstacle, should be penalized in the same manner as not completing the obstacle. A drawn course will be provided by the Show Management, reviewed for compliance with required procedures and approved by the Judge(s) and Steward(s). An exhibitor in this class cannot design or set up the course. The course will show the line of travel through obstacles and the gait required to perform obstacles. Changes or revisions will not be permitted after posting. The course will specify how a horse is to negotiate or travel between obstacles that seem appropriate, It is not required to use all of the qualifying gaits.

The course is to include a minimum of six obstacles and a maximum of eight obstacles (See USEF Western Division, Dimensions of Trail Obstacles WF. 126) as it may be amended from time to time, for dimensions of trail obstacles.

Horses are to be penalized for any unnecessary delay while approaching the obstacles. Judges are encouraged to advance on to the next obstacle any horse taking excessive time at an obstacle. Entry will be evaluated on willingness, responsiveness, correctness and general attitude while negotiating through the obstacle course. Obstacles occurring in a natural trail environment only are to be used to break a tie.
