

## **Motions Passed by the Board of Directors January 27, 2024**

### **Finance Committee**

Motion 1: Any PFHA sponsored event entailing the collection of funds and the payment for fees or services, must have those funds and expenses sent to the PFHA office for proper accounting and payment. No such funds are to go into any individual personal account and all expenses, must have proper invoices or bills submitted prior to payment. Should a release for participants be required, the PFHA will provide the specific release to be used for the stipulated event.

Motion 2: The following motion was proposed by the Finance Committee: Each region who applies will receive \$2500 for promotional events such as shows, horse fairs, clinics, trail horse test event, etc. for the calendar year of 2024.

Motion 3: The finance committee proposes a \$35 fee for a BIO THERMAL microchip. The normal microchip will remain at \$25. PFHA will be offering both the normal microchip and the new bio thermal microchip for it's members.

### **Recreational Rider Committee**

Motion 4: requests the BOD to approve Liberty Work as a new category under Open Shows in the Sport Horse program. As with all activities within this program no video submissions will be accepted."
