Fabulous Futurity Rules

To Qualify for the Fabulous Futurity Classes

1. Horses must have been nominated through the program and must enter appropriate classes and all program fees paid.
2. All Futurity entries must have microchips recorded with the PFHA. It is the responsibility of exhibitors to have the correct microchips in Futurity entries. Microchips will be scanned for verification to allow time if there is an issue that arises prior to the day of the class. **PRE-SCANNING WILL BE DONE BY A STEWARD IN THE BARN AT EACH HORSES STALL.**
3. **MANDATORY SCANNING**
In the warm-up area before the class. Any horse presented to the warm-up ring that does not match its microchip number will be disqualified. **NO EXCEPTION TO THIS RULE**
4. Eligible horses who qualify are NOT automatically entered into a futurity class. The Futurity Class must be included on the horse's entry form as any regular class would be. Once entry has been received by the show secretary, the division has been declared and no class change will be allowed. The entry fees are as published in this prize list.
Entries must be received by August 16, 2024.

**Entries received after the 1st Tier Deadline (August 16) will be accessed an additional \$200 fee.
No entries are allowed after August 30, 2024.**

All Futurity Pre-Class Warm-Up Procedures

1. Entries for the Fabulous Futurity classes are presented to the warm-up arena to be inspected by the veterinarian and farrier. Any entry that does not pass the inspection by the vet or farrier is disqualified per National Show procedure. Microchips will also be verified upon entry into the warm-up ring. Any horse presented to the warm-up ring that does not match its microchip number on record with PFHA will be disqualified.
2. Entries report to the warm-up arena saddled and bridled. A show steward inspects the tack of the horse and attire of the rider. The tack and attire for each class will be the same as for the schooling classes of the particular division for which the horse is entered in the Fabulous Futurity class. Each entry will be allowed only one handler in addition to the rider. Attire of the handler is not relevant. After passing the inspections of vet, farrier, and steward, entries proceed to the warm-up arena (presided over by at least one designated steward) and wait quietly for further instruction. Entries may be hand walked, but no other warm-up is allowed (no lunging or riding).
3. Upon instruction from the presiding steward and with the paddock announcer acting as timekeeper, riders are instructed to mount their horses and are allowed five minutes to warm up before the class is called into the show arena.
4. If a rider has been granted a tack change from a previous class, the presiding steward and timekeeper will wait until the tack change is complete before calling for riders to mount their horses.
5. After the five-minute warm-up, riders may remain on their horses and stand quietly or may dismount and stand or walk the horse. No further mounted warm-up will be allowed. Once the class is called, all riders must mount their horses and proceed in at a walk or gait directly to the show arena. 6. Any entry arriving late to the warm-up arena forfeits any time lapsed in the five-minute warm-up. Regardless of warm up time, they must proceed with the other horses and riders into the show arena when called.
7. Entries that do not follow this warm-up procedure as directed by presiding steward or paddock announcer (timekeeper) may be disqualified at the discretion of the judge

Qualifying Gaits

- **Trocha** is the typical way of movement, considered a gait, for some horses which is measured in a rhythmical and harmonious tempo but in four uneven beats, identified by the four beats when the sequence of the cycle is performed. Its sound follows a 1-1-1-1 rhythm.
- **Galope** or canter is a movement of forward diagonal propulsion in three beats: the first stage begins with the striking of one hind leg; the second stage is taken by the opposite hind leg and the foreleg diagonal to it; then the third stage is completed when the last foreleg hits the ground. The beat makes a 1-2-3, 1-2-3 sound.
- **Trote** is the movement described by successive and alternating diagonally paired leg positions or bipeds executed in two beats, which produces a striking sound when making contact with the ground. It sounds like a 1-2, 1-2 sound.

Procedures Trocha

(F/1): Trocha – Reverse – Trocha – Reverse – Sounding Board – Lineup – Back horse (four to six steps)

(F/2): Trocha – Reverse – Trocha – Reverse – Sounding Board – Lineup

Procedures Trocha Y Galope & Trote Y Galope

(F/1): Trote or Trocha – Galope – Reverse – Trote or Trocha – Galope – Reverse – Trote or Trocha – Sounding Board – Galope – Sounding Board – Lineup – Back horse (four to six steps).

(F/2): Trote or Trocha – Galope – Trote or Trocha – Trote or Trocha – Sounding Board in one direction – Galope sounding board in opposite direction – Return to lineup in trote or trocha

Mandatory Individual Tests

- a) **Figure Eight:** to be performed in both directions for each gait or modality. Two times on each gait or modality for a total of four times, finishing in the middle of the poles facing the middle of the ring or the Judge. Horses of one modality (Trocha) should perform four figure eights on one modality.
- b) **Back:** A minimum of four (4) and maximum of six (6) steps.
- c) **Sounding Board:** Traverse the board in both directions. For horses of more than one modality (Trote and Galope) one direction in one modality, returning on the second modality.

Judging Criteria Percentages: 50% Execution and naturalness of the gait; 25% appearance and conformation; and 25% manners and way of going.
